# Munkhbaatar Dorjsuren

## Full-Stack Web & Mobile Developer

Web platforms · iOS/Android apps · ERP systems

## PROFILE

Full-stack developer who builds web platforms, iOS and Android apps and ERP systems end to end, from the first idea to store release and handover. Coding since age 14, with about 5 years of experience in total. For the past year I have worked as a freelancer and delivered **9 products** for clients. Experienced in shipping features that matter to a business: QPay payments, video calls, SMS verification and AI assistants.

## KEY RESULTS

**9**
products delivered to clients

**8**
live apps (5 iOS, 3 Android)

**126K**
Newsac.mn users in the first 2 months

**622K**
Newsac.mn page views in the first 2 months

**200+**
orders on Soyol Shop

**100+**
bookings on Achira

## EXPERIENCE

### Freelance Full-Stack Web & Mobile Developer

Oct 2025 — Present

Self-employed · Ulaanbaatar

- Delivered 9 web and mobile products for clients, handling every stage alone: requirements, design, development, testing, release and handover.
- Built and handed over a web service for the Mongolian company New Culture Reason.
- Currently delivering Odoo ERP implementation and configuration projects for companies.
- Published 5 iOS and 3 Android apps through App Store Connect and Google Play Console.
- Integrated QPay payments, LiveKit video calls, Twilio SMS OTP, push notifications and Gemini/OpenAI AI features.

### Self-taught developer

2021 — 2025

Learned web development on my own from age 14 and built personal projects.

## SELECTED PROJECTS

**Newsac.mn**
**126K users · 622K views (2 months)**
Built solo, end to end: media platform with news, video/reels, shop, QR concert tickets, admin CMS.

**Soyol Shop · iOS, Android**
**200+ orders**
E-commerce app with live video shopping, SMS OTP login and a Gemini AI shopping assistant.

**Achira · achira.mn, iOS**
**100+ bookings**
Barber booking by barber and time slot, customer accounts and product shop.

**Gevabal · iOS, Android**
Video consultation platform: booking, QPay payments, LiveKit video calls, chat.

**Aupair Mongolia · web, iOS, Android**
Au pair agency website and matching app: profiles, video interviews, multilingual.

**Mongoltrails.com**
Travel platform: 20+ tour packages, GPX route maps, reviews, blog editor.

**DCapital.mn**
Online course marketplace: instructors upload lessons, learners buy and watch.

**Khanz.mn · Volunteer Mongolia**
Interactive Chinese language academy website; volunteer iOS app on the App Store.
